## ACRONYMS

**CRP** - Carbon Reduction Program

**CMAQ** - Congestion Mitigation and Air Quality

**HIP** – Highway Infrastructure Program

**HPP** - High Priority Project

**HSIP** - Highway Safety Improvement Program

**HSIP-R** - Highway Safety Improvement Program - Rail

**NHPP** - National Highway Performance Program

**PHSIP** - Penalty Highway Safety Improvement Program

**STBG** - Surface Transportation Block Grant

**STBG-TA** - Surface Transportation Block Grant - Transportation Alternatives

**TDOT** - Tennessee Department of Transportation

**TIP** - Transportation Improvement Program

**TPO** - Knoxville Transportation Planning Organization

**UZA** - Knoxville Urbanized Area

## INTRODUCTION

The 2023 Annual Listing of Obligated Projects Report for the Knoxville Regional Transportation Planning Organization (TPO) is an analysis of the projects for which federal transportation funds were obligated in the Knoxville region in fiscal year 2023 (October 1, 2022 through September 30, 2023).

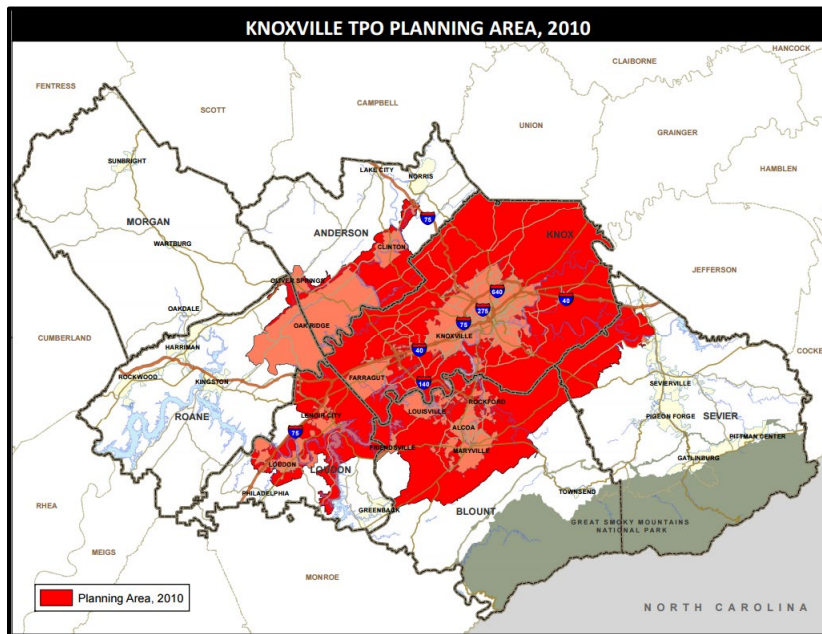

The report serves as an annual summary and evaluation tool for projects programmed in the 2023-2026 Transportation Improvement Program (TIP) or prior TIP's. By compiling a list of projects for which funds were obligated in FY 2023 and identifying which projects had FY 2023 programmed funds that went unobligated, the TPO is better equipped to monitor the region's overall success at implementing projects.

An obligation does not necessarily mean that the phase of work (e.g., construction) was initiated or completed in the program year. Also, the amount of the obligation may not equal the total cost of the project.

The list of obligated projects is made available by the cooperative effort of the State, transit operators, and the TPO. The Infrastructure Investment and Jobs Act (IIJA), also known as the Bipartisan Infrastructure Law, and associated regulations (23 CFR 450.334) requires the report be produced annually.

## KNOXVILLE REGIONAL TPO

The Knoxville Regional Transportation Planning Organization (TPO) is the federally designated Metropolitan Planning Organization (MPO) required to carry out transportation planning in the TPO planning area. This area is based on the federally designated Knoxville Urbanized Area (UZA) that includes several jurisdictions, namely the City of Knoxville, Knox County, and parts of Anderson, Blount, Loudon, and Sevier Counties. The Knoxville Regional TPO Planning Area encompasses the existing Knoxville UZA, along with contiguous area expected to be urbanized within 20-years. The planning area largely determines where TPO managed federal funds can be spent.

## TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

The TIP is a four-year work program of all regionally significant and federally funded transportation projects, programs, and transportation services within the planning area. It's also important to note the relationship between the TIP and the Mobility Plan, Knoxville Region's long range transportation plan, as the TIP is a subset of the Mobility Plan. The Mobility Plan outlines long range goals and projects in the Knoxville Region over a 20+ year period. The FY 2023-2026 TIP is essentially the first four years of the Mobility Plan and contributes to the achievement of long-term transportation objectives.

	TIP	Mobility Plan
<b>Updated</b>	Every 3 Years	Every 4 Years
<b>Time Period</b>	4 Years	20+ Years
<b>Link</b>	<a href="https://knoxtpo.org/TIP">knoxtpo.org/TIP</a>	<a href="https://knoxtpo.org/MTP">knoxtpo.org/MTP</a>
<b>Last Adopted</b>	10/26/2022	4/28/2021

TIP projects are consistent with federal transportation regulations and accordingly, all TIP projects become part of TDOT's State Transportation Improvement Program. These projects are financially constrained and implementable in the near term. The TIP is amended and administratively modified periodically to add new projects, delete projects, change funding amounts and fiscal years, etc.

## OBLIGATIONS

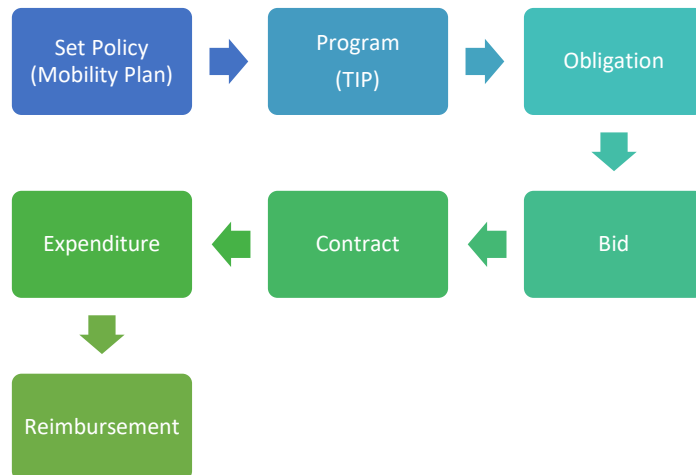

Two important terms are programmed funds and obligated funds. Programmed funds are funds that have been identified in the TIP for a project and phase. Obligated funds are funds that are committed to the project phase by the Federal government.

Programming funds is like writing a check. The funds for the project phase are considered obligated when the check is cashed.

### Transportation Project Funding Process

The flow chart below identifies the transportation project funding process. It starts with setting policy and planning then ends with the local project sponsor being reimbursed by the Federal government.

### Obligations History (Fiscal Years 2014-2023)

In fiscal year 2023, \$221.7 million in federal funds were programmed to 48 transportation projects and groupings in the current FY 2023-2026 or previous FY 2020-2023 TIP. Obligations totaled \$241.6 million to 47 projects and groupings, which included 41 projects from previous TIPs and/or STIPs and 6 projects from the current 2023-2026 TIP (Figure 1).

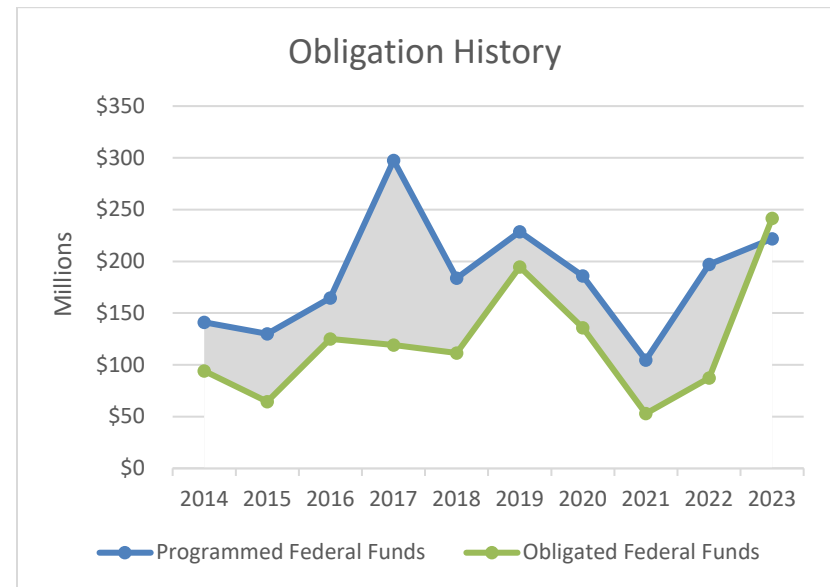

Figure 1 Knoxville Region Obligation History FY 2014 – FY2023

To ensure effective use of federal funds, the Knoxville Region strives to obligate as much of the programmed federal funds as possible. The gray area between the lines in Figure 1 shows the difference between programmed and obligated funds. In 2023, the region obligated 109% of programmed funds. This obligation rate is higher than historical averages and well above 2022 (44%).

Notable obligations include \$123.7M to the Alcoa Highway (SR-115/US-129) widening (Cherokee Trail to Woodson Dr.) project, \$31.5M to the National Highway System Preservation and Operation Grouping, \$23.4M to the I-640, Broadway Interchange modification project, \$10.6M to the Highway Safety Improvement Program Grouping, and \$10.4M to the Western Ave. (SR-62) widening project. 83 percent of all obligated funds were due to these significant projects.

### *Challenges to Timely Obligations*

Performance measures are necessary to make wise investment and policy decisions on how we achieve regional, state, and national transportation goals. The percentage of funds obligated for each fiscal year of total funds available for obligation is indicative of how well the Knoxville Region is utilizing transportation funds.

The Knoxville Region strives to obligate 100% of programmed dollars. However, there are obstacles that make achieving the 100% goal difficult. Acknowledging these challenges can aid in developing strategies to maximize obligations. Hurdles to obligating project phases include:

- Bids that are over budget
- Capacity to navigate approval process
- Number of projects exceed local sponsor capacity
- Project delays

In an effort to facilitate timely obligation of funds, project tracking meetings with local agencies were initiated in FY 2018. Regular collaboration between state and local partners continue to provide an opportunity to address project development challenges and promote on time project delivery.

## **SUMMARY OF FY 2023 OBLIGATED PROJECTS**

### *Obligations by Programming Authority*

Programmed authority refers to an Agency's responsibility to determine which projects will receive federal funds. Congress delegates the programming authority of federal funds to State DOTs and MPOs. In 2023, the TPO's programming authority was \$71.7 million in Surface Transportation Block Grant (STBG) funds, and \$3.4 million in Surface Transportation Block Grant Transportation Alternatives Program (STBG-TA) funds, and \$3.0 million in Carbon Reduction Program (CRP) funds. Tennessee Department of Transportation (TDOT) manages the remaining federal funds.

Federal transit funding comes to the urban area several different ways. For the Federal Transit Administration (FTA) Section 5307 Urban Area and Section 5339 Bus and Bus Facilities funding, the City of Knoxville is the Designated Recipient and determines how that funding is distributed. Section 5307 funding is divided based on an agreed upon formula between KAT, Knox County CAC Transit, and ETHRA. The TPO is the Designated Recipient of FTA Section 5310 Enhanced Mobility for Seniors and Individuals with Disabilities funding.

In 2023, \$241.6 million in federal funds for roadway, bike/pedestrian and public transportation projects was obligated in the TPO Planning Area. TDOT authorized \$211.2 million, or 87 percent, of the funds. TPO directed obligations (\$538K FHWA/\$3.4M FTA), and direct FTA funds (\$26.5M) comprise the remaining balance (Figure 2).

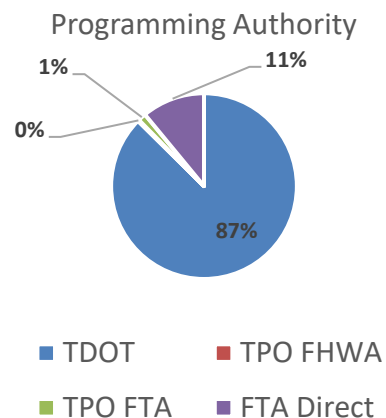

Figure 2 Knoxville Region FY 2023 Obligations by Programming Authority

### Obligations by System Type

Knoxville's transportation system is comprised of interstates, state and local routes, bicycle and pedestrian facilities, transit services, and technologies that improve the transportation system. Examples of these technologies and programs include intelligent transportation systems, ridesharing programs, traffic signalization projects, etc. In 2023, the largest number of obligated funds and projects were on State Route projects (61%, 19 projects). Table 1 reflects obligations by system type.

Type	Federal Funds Obligated	Percent of Obligations	Number of Current TIP Projects
Bike/Ped	\$489,053	0.2%	3
Interstate System	\$60,352,022	25.0%	8
ITS/Signal	\$137,510	0.1%	4
Local Route	\$2,548,234	1.1%	9
State Route	\$147,914,843	61.2%	19
Other	\$262,448	0.1%	5
Transit	\$29,897,543	12.4%	7

Table 1 Knoxville FY 2023 Obligations by System Type

### Obligations by Fund Source

The federal government provides multiple funding sources for the construction and preservation of state and local transportation infrastructure. The types of projects vary from new roadways, widening of existing roadways, intersection improvements, bridges, and general roadway maintenance. Other projects covered under federal funding are bicycle, pedestrian, and transit.

National Highway Performance Program (NHPP) accounted for approximately (83%) of total obligations in 2023 with \$200.6 million obligated. Federal Transit Administration (FTA) funds obligated an additional \$29.9 million (12%). NHPP funds are used by States to provide support for the condition and performance of the National Highway System through activities such as construction, reconstruction, resurfacing, preservation, and operational improvements. FTA transit funds support public transportation capital projects and operations. Table 2 illustrates 2023 federal fund obligations by funding source.

Funding Source	Federal Funds Obligated	Percentage of Obligation
CMAQ	(\$2,188,260)	0%
HPP	\$12,346	0.0%
HSIP	\$7,765,366	3%
HSIP-R	\$2,266,380	1%
L-STBG	\$538,848	0.2%
NHPP	\$200,557,257	83%
PHSIP	\$151,525	0.1%
S-STBG	\$2,159,332	1%
S-STBG-TA	\$441,314	0.2%
Transit	\$14,873,711	6%
FHWA Flex to FTA (CMAQ, L-STBG, CRRSAA HIP)	\$15,023,823	6%

Table 2 Knoxville FY 2023 Obligations by Funding Source

The remaining funding sources are Congestion Mitigation and Air Quality (CMAQ), Highway Infrastructure Program (HIP), High Priority Project (HPP), Highway Safety Improvement Program (HSIP), Highway Safety Improvement Program Rail (HSIP-R), Penalty Highway Safety Improvement Program (PHSIP), Local Surface Transportation Program Block Grant (L-STBG), Local Surface Transportation Block Grant - Transportation Alternatives (L-STBG-TA), and State Surface Transportation Block Grant (S-STBG).

### *TPO Regionally-Managed Funds*

The TPO is particularly interested in the performance of regionally managed federal funds. Each year the Knoxville region is allocated L-STBG, L-STBG-TA, and L-CRP funds to fund projects that best fit the region's priorities and goals. These funds are distributed to projects in the Knoxville region by the TPO Executive Board through a competitive process. Highway Infrastructure Program funds, when available, are also managed by the TPO. In 2023, 9% of programmed L-STBG funds, 59% L-STBG-TA funds and 213% of programmed HIP funds were obligated (Table 3).

Fund Source	Obligated (Or Flexed to FTA)	Programmed	% Obligated
CRP	\$0	\$0	N/A
HIP	\$1,044,924	\$2,131,876	49%
L-STBG	\$2,869,924	\$26,242,386	11%
L-STBG-TA	\$0	\$0	N/A

*Table 3 Knoxville FY 2023 TPO Managed Funds*

### *De-obligated funds*

Depending on the source of funding, de-obligated funds are returned to the FTA, FHWA, TDOT, or TPO. De-obligated funds

that are returned to FHWA, FTA, or TDOT are unlikely to be reprogrammed on other projects within the Knoxville Region.

However, de-obligations of regionally-managed federal funds are returned to TPO and available to other projects within the Knoxville Region. Only L-STBG regionally managed funds had de-obligations in 2023. A total of \$258,256 was returned to the TPO (Table 4).

Fund Source	TIP ID	De-obligation
L-STBG	17-2017-306	(\$20,560)
L-STBG	20-2014-015	(\$19,576)
L-STBG	17-2017-307	(\$44,484)
L-STBG	20-2017-041	(\$58,236)
L-STBG	17-2017-023	(\$51,200)
L-STBG	17-2017-032	(\$64,109)
L-STBG	20-2020-306	(\$90)
<b>TOTAL</b>		<b>(\$258,256)</b>

*Table 4 Knoxville Region FY 2023 L-STBG De-Obligations*

### *Closed projects*

The final stage of project delivery is the project close out process. After a project is completed the close out process wraps up any final reimbursements and officially closes the project. If a project has come in under budget, some de-obligations of federal funds may occur during close out. In 2023, 40 projects were closed and \$3.8 million in federal funds de-obligated.

Appendix A includes a listing of the FY 2023 federal funding obligations by sorted by County, PIN# and obligation date.

## APPENDIX A: LIST OF PROJECTS BY COUNTY<sup>1</sup>
