

RESIDENCE COUNTY AND WORKPLACE COUNTY WORKER FLOWS TABLE FOR THE KNOXVILLE-MORRISTOWN-SEVIERVILLE COMBINED STATISTICAL AREA, 2023

This table shows how many workers commute between counties.

To read the table, choose a county from the "Live In" columns and match it to a county in a "Work In" row to find the estimated number of workers who commute from the "Live In" county to the "Work In" county.

Example 1: Selecting Knox as the "Live In" column and Anderson as the "Work In" row, the intersecting cell shows that 18,694 workers live in Knox County and work in Anderson County.

Example 2: 446 workers live outside of the Combined Statistical Area but work in Union County.

Example 3: A total of 61,781 workers reside in Blount County.
